Activity Title:	SimKit
Format:	Enduring Material
Release Date:	November 01, 2025
Expiration Date:	October 31, 2026
Target Audience:	Emergency Physicians
Method of Participation:	View the presentation and, upon completion, participate in the evaluation/quiz
Medium:	Video and Procedural Practice

Description of Activity

A simulation training focusing on critical emergency procedures, allowing physicians to hone their skills in a controlled, risk-free environment.

Disclosure of Financial Commercial Support

No financial commercial support was received for this educational activity

Disclosure of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

CME Accreditation & Designation Information

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Scimple Education, LLC and SimKit. Scimple Education, LLC is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

ACCME
ACCREDITED

Scimple Education, LLC designates this Other (Self-Learning) activity for a maximum of 6 *AMA PRA Category 1 Credits*[™] for physicians. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

Objectives - After Attending This Program You Should Be Able To

1. Recall the key steps for at least 3 high-acuity, low-frequency emergency procedures covered in the SimKit training.
2. Explain the indications and contraindications for these emergency procedures.
3. Demonstrate proper technique for performing these procedures on simulation models.
4. Analyze potential complications that can occur during these procedures and devise appropriate management strategies.
5. Evaluate the impact of regular deliberate practice on skill retention for infrequently performed procedures.
6. Create an individual plan for ongoing skills maintenance between SimKit training sessions.

Disclosure of Relevant Financial Relationships

Scimple Education, LLC requires all individuals involved in the planning and/or implementation of a CME activity to disclose relevant financial relationships with ineligible organizations for the past 24 months, of any amount.

All relevant financial relationships were mitigated prior to the start of the activity.

Name of Individual	Individual's Role in the Activity	Name of Ineligible Company(s)
Jason Hine, MD	Planner	Nothing to Disclose
Haney Mallemat, MD	Reviewer	Nothing to Disclose
Isaac Stickney, MEd, CGS	Faculty	Nothing to Disclose
Jason Hine, MD	Faculty	Nothing to Disclose

How to Get Your Certificate

1. Complete the activity and evaluation component by the deadline or expiration date.
2. Your certificate will be emailed to you upon completion.
